ASIAN PLACEMENT SOLUTIONS (PLACEMENT DIVISION)

Asian Placement Solutions has established itself as a **reputed multi-faceted team of highly qualified and experienced consultants**, from diverse professional fields and expertise, who understand the rapid changes taking place in the global business environment.

We offer solutions for **effective talent-acquisition and reference checks to our clients within well defined timelines**. Our vast industrial experience, extensive talent database, and innovative techniques would be of great help to any organization.

We are a totally client-driven company and believe in providing services of the highest quality. Our candidates value the assessment, advice and help given by our experts in guiding them through difficult career options. We constantly meet good potential candidates to evaluate and assess their competence and suitability against current and future client-requirements.

We maintain an **exhaustive talent databank of over 600,000 active professionals** which is validated and updated regularly to keep it contemporary and relevant. The Talent Databank is built upon a large number of resumes of candidates who value the assessment and advice given by our experts.

ASIAN INSTITUTE OF QUALITY MANAGEMENT (TRAINING DIVISION)

Our **ASCB (E) Ltd. - UK approved faculty** conduct Six Sigma, TQM, Lean Management, ISO 9001, ISO 14001, ISO 27001 and OHSAS training as also offer consultancy for implementation in **India, Kuwait, Saudi Arabia, Oman and Malaysia**.

Our trainers have not simply learnt how to teach a subject; they provide you with their expertise gained at the sharp end of operational management. **Each trainer is an acknowledged expert in his / her own subject area.**

Participant evaluation after each course shows an extremely high satisfaction rating of 99%. Some past participants have even rated our courses as "5" on, of a scale of 1 – 4!

We are into partnership for Six Sigma Training (MDPs) with following institutions / organizations:

- **Symbiosis Institute of Business Management, Pune.**
- **Neville Wadia Institute of Management Studies and Research, Pune.**
- **Saudi Arabia Quality Council – Jeddah.**

Based on our understanding of candidate and client profiles, these resumes are categorized and coded in a large cross-section of skills and specialties and stored in a proprietary storage and retrieval system. The resumes received for inclusion in the talent databank are screened and codified as per our internal rating and classification system after a short initial discussion with candidates, wherever feasible.

Executive Search / Head-Hunting

are most effective where the candidate population is defined and identifiable. Working at the senior management level, we establish client relationships carefully, study their corporate cultures thoroughly and analyze candidate profiles rigorously to ensure cultural compatibility and a successful match. Our approach to initially invest time and effort in completely understanding the organization's needs and evolving an agreed candidate-profile is highly appreciated.

We evaluate candidates looking at their personal and professional qualifications, potential for long-term contribution, ability to produce results and fit within a particular corporate culture. We listen, we plan, we do our home work, we investigate and research, we initiate, we respond, we interview, we assess and we evaluate, we offer and explain, we help assimilate.

- **Association of Jordan Engineers – Jeddah.**
- **Middle East Quality Management Professionals – Dammam.**
